

Brianna Singer

Agile Project Manager

bsinger3@gmail.com | 916-224-9144 | <https://github.com/bsinger3> | <https://www.linkedin.com/in/briannasinger/>

SUMMARY

Experienced Agile Project Manager with a strong background in leading cross-functional teams in data modernization and advanced analytics initiatives. Proven track record of utilizing Agile methodologies to drive project execution, optimize workflows, and enhance stakeholder alignment.

TECHNICAL SKILLS

Languages: Python, SQL, Google Apps Script

Frameworks: Agile Scrum, Kanban, SAFe, Software Project Management, Continuous Improvement / Kaizen, OKRs

DevOps & Infra: CI/CD Collaboration, Stakeholder Management, Technical Documentation, Roadmap Planning, Requirements Gathering, Sprint Reviews, Change Management, Risk Management

Databases: PostgreSQL, Snowflake, MongoDB

Tools: Jira, Confluence, Power BI, Mixpanel, Google Sheets, Microsoft Planner

EXPERIENCE

Technical Project Manager at FriendsWithMeasurements.com

Tech | Aug 2025 - Present

- Redesigned Postgres data model to enhance apparel catalog functionality, supporting over 15K measurement profiles.
- Developed data ingestion pipelines to standardize apparel datasets, improving filtering capabilities.
- Implemented measurement-based search algorithms, boosting relevant results by 30% and reducing no-result searches by 80%.
- Created image and metadata pipelines using Supabase, enhancing catalog discoverability and analytics capabilities.

Product Manager at ALTR

Tech | Feb 2025 - Aug 2025

- Defined product requirements for data governance platform, aligning technical delivery with enterprise security needs.
- Transformed competitor insights into a strategic roadmap, prioritizing features that enhanced sales pipeline for enterprise accounts.
- Developed Snowflake Native App to automate sensitive data tagging, reducing manual efforts by hours and improving compliance.
- Collaborated with security teams to refine classifier performance, translating governance needs into actionable product features.

Product Manager at Guy Carpenter

Tech | Nov 2023 - Dec 2024

- Delivered NLP-driven contract intelligence workflows, reducing review time from 7 days to 10 minutes and capturing \$40M in deal economics.
- Built Power BI dashboards to visualize trends and support decision-making for multimillion-dollar negotiations.
- Designed QA experiments that improved model precision by 15% and recall by 9%, enhancing data processing accuracy.
- Led scrum ceremonies and tracked OKRs for a team developing advanced contract extraction models.

Technical Project Manager at Sirion

Tech | May 2022 - June 2023

- Managed project budgets exceeding \$75K, leading Agile delivery of ML models with a 95% sprint goal achievement rate.
- Acted as primary liaison for SaaS product users, facilitating document extraction for financial contracts.
- Defined training data requirements and implemented NLP strategies to enhance model accuracy.
- Mentored junior project managers on Agile methodologies and project management best practices.

PROJECTS

Agile Project Management Implementation - Enhanced team delivery through Agile methodologies

Tech | Ongoing

- Facilitated Scrum ceremonies to ensure team alignment and effective communication.
- Developed project roadmaps and risk registers to align with mission priorities and stakeholder needs.

Data Governance Platform Development - Streamlined enterprise data protection processes

Tech | Ongoing

- Led cross-functional teams to define and implement data governance features based on customer feedback.
- Utilized Agile tools to track project progress and optimize delivery workflows.

EDUCATION

Cornell University School of Industrial and Labor Relations | Bachelor of Science, Industrial and Labor Relations
