

Brianna Singer

Agile Project Manager

bsinger3@gmail.com | 916-224-9144 | <https://github.com/bsinger3> | <https://www.linkedin.com/in/briannasinger/>

SUMMARY

Experienced Agile Project Manager with a strong background in leading cross-functional teams and delivering complex technical initiatives. Proficient in Agile methodologies including Scrum, Kanban, and SAFe, with a focus on data management and cloud modernization.

TECHNICAL SKILLS

Languages: Python, SQL

Frameworks: Agile Scrum, Sprint Planning, SAFe, Software Project Management, Kanban, Continuous Improvement / Kaizen, Retrospectives, OKRs

DevOps & Infra: Stakeholder Management, Program Management, Sprint Reviews, AI/ML, Risk Management, Technical Documentation, Roadmap Planning, Requirements Gathering, Resource Planning

Databases: PostgreSQL, Snowflake

Tools: Jira, Confluence, Power BI, Google Sheets, Microsoft Planner

EXPERIENCE

Agile Project Manager, *FriendsWithMeasurements.com, Newark, New Jersey Aug 2025 - Present*

- Redesigned the Postgres data model to support a catalog of over 15,000 measurement profiles, enhancing data accessibility.
- Developed data ingestion and normalization pipelines, standardizing apparel sizing formats and improving data quality.
- Implemented measurement-based product search, increasing relevant results by over 30% and reducing no-result searches by 80%.
- Designed image and metadata pipelines using Supabase, improving catalog discoverability and enabling analytics.

Product Manager, *ALTR, Melbourne, Florida Feb 2025 - Aug 2025*

- Defined product requirements for a data governance platform, aligning engineering delivery with enterprise needs.
- Developed a strategic roadmap based on competitor research, enhancing product features to support sales initiatives.
- Launched a Snowflake Native App that automated sensitive data tagging, reducing manual efforts by hours and improving compliance.
- Collaborated with security teams to evaluate classifier performance and prioritize features for product releases.

Product Manager, *Guy Carpenter, New York, New York Nov 2023 - Dec 2024*

- Led delivery of NLP-powered workflows for over 100,000 contracts, reducing review time from 7 days to approximately 10 minutes.
- Created Power BI dashboards to visualize trends and support multimillion-dollar negotiations among brokerage leadership.
- Designed QA experiments that improved model precision and recall for critical contract extraction tasks.
- Facilitated scrum ceremonies and tracked OKRs for a team developing contract classification models.

Technical Project Manager, *Sirion, New York, New York May 2022 - June 2023*

- Managed budgets over \$75k and led Agile delivery of ML models, consistently achieving over 95% of sprint goals.
- Served as liaison for SaaS product customers, enhancing document extraction processes for financial contracts.
- Defined training data requirements and implemented NLP strategies for improved model interpretation.
- Mentored junior project managers, providing guidance on project scoping and management skills.

PROJECTS

Sakhi Domestic Violence Hotline Caller Intake System

- Built a hotline caller intake and advocate routing system for Sakhi while also providing crisis support and coordinating emergency shelter placements.

HumaneHousing | First Place Winner, Columbia University Women in Tech Hackathon

- Co-created HumaneHousing, a prototype platform that helped recently incarcerated individuals apply for housing resources across New York State, winning first place at the Columbia University Women in Tech Hackathon and securing a \$1,500 grant.

EDUCATION

Cornell University School of Industrial and Labor Relations | Bachelor of Science, Industrial and Labor Relations
